To Whom It May Concern

I am writing to recommend Mohaddaseh Nikseresht for a Postdoc position at your institution. I have had the pleasure of working with Mohaddaseh during her time at KU Leuven, where she has consistently demonstrated exceptional academic prowess, dedication, and a passion for her PhD research in the domain of software measures to counter bitflips.

As her supervisor at KU Leuven, I have closely observed Mohaddaseh's progress and contributions. Her ability to grasp complex concepts and apply them effectively in her research is truly commendable. She has shown analytical skills, creativity, and a keen eye for detail, which have significantly contributed to the success of her PhD project, which is in its final stage.

In addition to her academic achievements, Mohaddaseh is a team player who collaborates effectively with her peers and mentors. Her positive attitude, strong work ethic, and excellent communication skills make her a valuable asset to any team. Her optimism is infectious, fostering a collaborative and supportive environment.

I am confident that Mohaddaseh Nikseresht will excel in any endeavour she chooses to pursue. Her intellectual curiosity, dedication, and passion for research in computer science make her an outstanding candidate for a position as PostDoc. I wholeheartedly recommend her and believe she will make significant contributions to your institution. You can be assured of her potential and her ability to make a difference.

Please feel free to contact me if you require any further information.

Sincerely,

Prof. Jeroen Boydens
